GRAYS AND TORREYS 14ER HIKE– SATURDAY , JULY 25, 2009

Come join us on a YMG 14er hike. The hike up Grays is a class 1 hike meaning that the trail is well packed and there is little to no scrambling. A group will plan on taking the class 2 hike from Grays over to Torreys when we get to the top before heading back to the trailhead. The Torreys hike is a class 2 hike meaning that there is some scrambling involved. Dogs are welcome in both groups. We will be leaving from the T-Rex Park-n-Ride at 6am so that we can avoid the afternoon thunderstorms. We will be reaching a gorgeous view as we reach an elevation of 14,270 feet. Currently there is a little bit of snow at the top. We suggest you dress in layers, have boots, and bring enough food and water for the day. For more information, please go to www.14ers.com. Please note that all 14ers are physically challenging. To RSVP and/or ask questions, please contact Brian Bern at Brian_Bern@matrixdesigngroup.com.

EWB SAND SCULPTURE CONTEST – SATURDAY, AUGUST 15, 2009

Engineers Without Borders (EWB) is looking for people interested in participating in their Sand Sculpture fundraiser. The fundraiser raises money for EWB Denver projects in Madagascar, Togo, and Ecuador. The entry fee for an organization is \$500 and for non-profit organizations is \$150. To see pictures of last years contestants and to learn more about it go to www.ewbdenver.org/ or contact Jason Igo at igo.jason@gmail.com.

ANNUAL SUMMER PICNIC – SATURDAY, AUGUST 22, 2009

It is almost time for our Annual picnic! On August 22nd at 3pm, the YMG will be meeting up at Sloans Lake at the picnic area at 26th Avenue & Tennyson. We will be grilling up an early dinner of burgers and hot dogs in addition to providing some chips, dip, and beer. The YM will provide volleyball, corn-hole, and Frisbees. Significant others and family pets are also welcome to join us. Last year we had over 20 people at the picnic with numerous dogs and it was a blast. If you have any questions, please contact Erin Trahan at Trahan@pbworld.com.

YMG COED REC LEAGUE VOLLEYBALL – EVERY WEDNESDAY MAY-AUGUST 2009

The ASCE Ditch Diggers have been playing volleyball since early May. The turnout has been great and everyone has been having a blast. We would love to see some new faces on the courts. This league is made up mostly of Engineers, Architects and Contractors. We play in the coed 6v6 recreation division. All skill levels are more than welcome to come out and play. Our team and our opponents have a wide level of varying skill levels. The league runs until the end of August. We will be playing every Wednesday evening at the northwest corner of Washington Park at the corner of Downing & Virginia from 5:30pm until dark. You are welcome to stay until dark or you can come and play a couple of games and then take off whenever you need to. This is an extremely laid back league and standings are not kept. Significant others are also welcome to join us. If you would like to be placed on the email list for the 2009 ASCE Ditch Diggers Volleyball Team or if you have any questions, please contact Brian Bern at Brian_Bern@matrixdesigngroup.com.

Past Events

HAPPY HOUR – THURSDAY, JUNE 11, 2009 – 5:00PM

The drink specials were worth the wait as we made it out to Denver tech center for last months happy hour. The engineers in and around the tech center came out in big numbers with a group of over 20 people including a number of new faces. The drink specials were great and bar treated us well. We will plan on heading back to the Baker Street Tavern again for the next happy hour held in the Tech Center.

POSITIONS AVAILABLE FOR ASCE'S COMMITTEE ON PROFESSIONAL PRACTICE

Would you like to get more involved in ASCE and improving the practice of civil engineering? ASCE's Committee on Professional Practice (CPP) is looking for new members to serve on its constituent committee, the Committee on Employment of Civil Engineers. Serving on a national committee gives you a unique opportunity to influence the profession, affect ASCE's policies at the national level, and network with other civil engineers who practice in the public and private sectors.

The Committee on Employment of Civil Engineers (CECE) develops policies, procedures and standards for conditions of employment taking into account the economic, social and ethical issues in the profession. The committee discusses and may report on current issues and trends that affect employment of civil engineers. *ASCE Guidelines for Engineering Grades* (visit <http://www.asce.org/professional/careers/>) is a CECE product. The committee is looking for full members.

For a detailed committee charge and more information on CPP and its constituent committees, please refer to the Professional Activities section of ASCE's Official Register (<http://www.asce.org/or>).

Please contact Melissa Prelewicz (Senior Manager of Professional Practice, ASCE World Headquarters) at mprelewicz@asce.org by July 17, 2009. Please indicate your committee of interest (CECE) and submit a brief resume as an attachment.

Visit <http://www.asce.org/professional/> to learn about more committee openings.
