YMG COED REC LEAGUE VOLLEYBALL – WEDNESDAY MAY 2009

The ASCE Ditch Diggers have been playing volleyball since early May. The turnout has been great and everyone has been having a blast. We would love to see some new faces on the courts. This league we play in is made up mostly of Engineers, Architects and Contractors. We play in the coed 6v6 recreation league. All skill levels are more than welcome to come out and play. Our team and our opponents have a wide level of varying skill levels. The league runs until the end of August. We will be playing every Wednesday evening at the northwest corner of Washington Park at the corner of Downing & Virginia from 5:30pm until dark. You are welcome to stay until dark or you can come and play a couple of games and then take off whenever you need to. This is an extremely laid back league and standings are not kept. Significant others are also welcome to join us. If you would like to be placed on the email list for the 2009 ASCE Ditch Diggers Volleyball Team or if you have any questions, please contact Brian Bern at Brian_Bern@matrixdesigngroup.com.
